

### *Busy Hands for Christ*

The **Busy Hands for Christ** will deliver 75 baby items (crocheted blankets, hats, booties, cloth books and blankets) to the Children's Advocacy Center & Family Crisis Center in July. These items were all hand made with love for the children. We are starting to make lap throws for the nursing homes. We soon will be working on ribbon markers for the hymnals. This sub-group of the United Methodist Women meets on the 4th Tuesday evening of each month at 7:00 p.m. in the parlor of the fellowship hall to work on mission projects. All women are welcome. Contact Debbie Meyer for additional information at 321-6553.

The United Methodist Women are once again overwhelmed with your response to our mission projects. Just this year you have helped us deliver 900 diapers to the Family Crisis Center, a truckload of old, useable clothing, tennis balls and printer cartridges to the PET Project, \$545.00 plus many food items to the Bastrop County Emergency Food Pantry, and now several carloads of items for the Bastrop Animal Shelter. God bless you all! In August & September we will be collecting hotel shampoo, soap, etc. for the homeless bags and school supplies for BISD. Our July and October projects will be done internally.
