

*By the grace of God, First United Methodist Church of Bastrop will engage in living ministries which radiate God's love, uniting God's children through growth in spirit, knowledge and love of God, and service to our neighbors.*

At First United Methodist Church of Bastrop, we desire to be, become, and to do all for which God has created and called us. While we are proud of our rich history and tradition of service here in Bastrop, we look forward with eagerness and anticipation to how God is going to work through FUMC in the future. We strive to cooperate with God's grace by attempting to fulfill the two-pronged Great Commandment to love God with everything we have and are and to love our neighbors as we love ourselves.

The church family which is FUMC provides opportunities for spiritual growth through worship, Christian education, service to the community, and mutual support and nurture. To that end, we offer our prayers, our presence, our gifts, and our service in gratitude and love for what God has done, is doing, and will do for us, with us, and through us.
